C.C. of E. Planning Seminars.

The County Planning Dept. have confirmed our booking for the Seminars at Chelmsford on Jan. 20th and 27th and at Harlow on February 1st and 8th.

As soon as they send me further details I will pass them on to you.

They have enclosed one copy of their report on the Essex landscape, which I have passed to Stan Slee; I am trying to obtain extra copies for our use.
